reasons criticised the officers is ment, but every other acts of the joint committee resecriticisms in statements own names, printed in the and Representative Lloyd, of the committee, repudita speech on the floor of the layet in the face of this makes the positive statement to that the joint committee cusation referred to.

*C. and those who were found to be feeble minded, epileptic or idjotic were sent to Randall's Island.

"The board first had about 1,100 cases. Or day it has 2,000 to handle. Previously no histories were kept of the cases, the old board not being interested in the surgical side.

"We thought the charges against Mrs. Dunphy were unjust and we wrote to commissioner Kingsbury. This letter explains itself."
